

## Experience a part of CLI!

These are a few of the comments that we have heard from adult ministry leaders regarding CLI:

*I know that the teens always come home VERY excited and inspired. I wish I could see them in action at CLI!*

*My teens come back with a lot of energy, but I don't always know how to help them use it. How can I be better prepared to really use their skills, gifts and enthusiasm when they return?*

To help you make the most of your investment in CLI, we are happy to extend this special invitation!

As a **CLI Sponsor**, you are invited and encouraged to join the CLI 2011 community for the  
**Planning Skills Workshop**  
**Tuesday, June 28, 2011**  
9:30 AM to 12:30 PM  
St. Columban Center  
8692 Lakeshore Road  
Derby, 14047

After an overview of the planning process, the CLI participants will gather with the other young people from their parish or school. Their task is to use their new skills to begin to plan a program or event for their home setting (parish or school). Your presence with these young leaders would be a great sign of support, and your input can help them plan a program or event that can realistically be implemented at home.

Sharing this workshop provides opportunities for you to:

- connect with the teen(s) from your community mid-week
- learn a valuable skill and process together
- work together to create a viable action plan for your home setting
- better support your teen(s) upon return to your home setting

You are also invited to [stay for lunch](#), immediately following the workshop.

If you plan to attend, please contact Heather Wolcott at the Department of Youth & Young Adult Ministry at 716-847-8789 [hwolcott@buffalodiocese.org](mailto:hwolcott@buffalodiocese.org) by **Monday, June 20, 2011**.
