One thing I learned (or was reminded of) in this presentation: _____

One thing I (or my family) might do differently because of what I heard today: _____

Because of today's session, how likely are you to do the following:

	Not likely	Some what	Very likely
1.) Go to Mass more often			
2.) Pray with my children and as a family			
3.) Discuss faith at home			
4.) Make time for personal faith growth or prayer			

Our Catholic Church and faith are here to support you with your children, your family, and in our parish community. **This means that whatever you are dealing with matters to the church.** We are here to celebrate what is working and also to walk with you as you face life's expected and unexpected challenges.

Please let us know how we can be more supportive of you and your family by checking the area(s) below. We will respond to you directly and confidentially. May God bless you and your family and know that our love, prayers, and support are with you!

"The joys and the hopes, the grief's and the anxieties of the people of this age, especially those who are poor or in any way afflicted, these are the joys and hopes, the grief's and anxieties of the followers of Christ. Indeed, nothing genuinely human fails to raise an echo in their hearts."

Pastoral Constitution on the Church in the Modern World, Vatican, Dec. 7, 1965
