

Working for a Culture of Life
Area Crisis Pregnancy and Adoption Counseling

There is an alternative. Placing a child for adoption is a selfless act of love. Judy O'Mara of Bakery, director of adoption and foster care for Baker Victory Services said that there are many loving families out there and BVS receives hundreds of inquiries every day about adopting children. "People send us letters, information about themselves. They ask us to distribute business cards to birth mothers."

Baker Victory Services

"Baker Victory Services (BVS) is a private, not-for-profit child care agency. Our organization has a long history of caring for pregnant women and their babies which dates back to 1906! Adoptive services are offered to all birth parents... In our program, trained counselors are available to help you. Staff members will provide you with support, help you sort out your feelings and assist you in deciding a plan for your child..."
